

## FINANCIAL INFORMATION PAYMENT

The tuition is to be what the Lord puts on your heart to donate per course. Once a course has been started it must be completed before moving to the next course. All donations are nonrefundable. With each course, students will receive access to online Video teachings, and materials needed for the courses. There will be test given after each course, which will be emailed to you. After all courses are completed there will be a final exam. We will evaluate your work in the course based on your quality of performance on: the examinations; the assignment(s), and responses to tests. Upon completion of each test with a passing grade you will be issued a certificate of completion from Christ Lives in Me School of Ministry.

Donations are due by the start of this course. Students making a donation may make their donation by mail (check) or in person at the Business Office (cash or check). Credit card payments (MasterCard, Visa or PayPal) can only be made online and includes a convenience fee ( \$7.00). To make a payment online, visit [Online Payment](#).
